

The flowery hills of the Langhe in a glass of wine.

BARBERA D'ALBA DOC MOROSA

VINE AND VINEYARD

100% Barbera d'Alba.

The vineyard is exposed to the south.

It presents a medium-textured soil
with limestone and clay.

AGING

It is aged in steel tanks.

ORGANOLEPTIC CHARACTERISTICS AND PAIRING

It presents a ruby-red color.

The smell reveals a good vinosity and it develops
the typical bouquet of this variety: plum, cherry,
black cherry, blackberry and fern.

On the palate it is fresh, fruity and with a long
persistent finish.

It matches with cured meat and fresh cheese.

SERVICE

Serving temperature: 16 - 18 °C.
