

A rich wine left for years to allow him to reach its maximum expression. Perfect in its complexity. Only in the best years.

**BARBARESCO RISERVA DOCG
PICCOLA EMMA**

VINE AND VINEYARD

100% Nebbiolo

The vineyard is exposed to the west and south/west. It presents a medium-textured soil with limestone and clay.

AGING

It is aged in steel tanks of 10,000 liters each.

**ORGANOLEPTIC CHARACTERISTICS
AND PAIRING**

Very clear garnet red color.

On the nose small wild flowers, lavender and violet, immediately joined by sumptuous aromatic herbs, thyme and rosemary, juniper berries and black tea, light graphite.

In the background come notes of aging that recall leather and tobacco leaves, light cocoa on the finish. The palate reveals an age that is still young, like a purebred foal, rooted in the territory, of great freshness and elegance, harmonious, savory and with velvety tannins. The long finish has notes of black tea and licorice.

Its dominant character accompanies large spicy stewed meats, especially game, long-seasoned cheeses, marbled and goat cheeses.

Alone, it makes any evening enjoyable.

SERVICE

It is advisable to open at least an hour before pouring and decanting.

SIZES

0,75 l - 1,5 l
