BARBARESCO DOCG PAJORÈ

VINE AND VINEYARD

100% Nebbiolo cru Pajorè.
The vineyard faces west, south and east.
Very complex soil even within its vineyard,
with a prevalence of silt.
The perfect cradle for classic, elegant and complex
red tannin wines.

AGING

It is aged in big oak barrels of 5,000 liters each.

ORGANOLEPTIC CHARACTERISTICS AND PAIRING

In the glass it shows a bright and dense garnet red.

The nose opens with tertiary notes of cocoa and
black tea, then hints of violet and lavender, small
berries, blood orange, wet rock and balsamic notes
of eucalyptus and mountain pine.

In the mouth it is fresh, sapid, of great fullness with
well-polished tannins and with a very balsamic finish
accompanied by hints of juniper.

It is a great red wine and it should be accompanied
by large red meats and long-aged cheeses.

After dinner, alone, it is the ideal companion of any
evening.

SERVICE

It is advisable to open at least an hour before
pouring and decanting.
